Re: Completion of Work Required Pursuant to RCRA Consent Agreement and Final Order (CAFO)
RCRA-08-2009-002

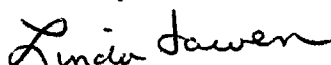

Dear Mr. Burke:

Based upon review of the Closure Report and the Closure Report Addendum, the EPA has determined that your facility has completed the work required by the CAFO. This letter serves as our determination of satisfaction of the order requirements and termination of the order.

The EPA Region 8 has maintained financial assurance documentation submitted by Frontier Refining, Inc. in the form of a corporate guarantee for 2012. Since the work has been satisfactorily completed per the terms of the CAFO, the EPA Region 8 will no longer require Frontier Refining, Inc. to maintain financial assurance for this facility.

If you have any questions concerning this letter or any related matter, please contact me at (303) 312-6503 or at jacobson.linda@epa.gov.

Sincerely,

Linda Jacobson
RCRA Inspector
